## What should I add to the 'Skills Matrix'?

Posted by sstark - 2007/06/26 00:42

---

I was told that a programmer should include a detailed skills matrix in with their resume, however I did not feel that this was the proper location. Now, with VOM, you can keep the two separate.

Suggest new skills to add to the 'Skills Matrix' in this thread.

a blind man was describing his favorite sport, parachuting. wow gold when asked how this was accomplished, he said buy wow gold that things were all done for him: "i world of warcraft gold am placed in the door and told when rift platinum to jump" "my hand is placed on my swtor credits release ring for me, and out i go" cheap rift platinum "but how do you know when you are ffxi gil going to land?" he was asked. "i have acheter wow po a very keen sense of smell and i rift gold can smell the trees and grass when i am 300 feet from the ground" he answered. "but how do you know when to lift your legs for the final arrival on the ground?" he was again asked. he quickly answered "oh, the dog's leash goes slack".
