
New Server!

Posted by sstark - 2008/02/02 20:33

Allright, we're now on a dedicated server! :)

this means everything will be a lot faster, and we will have more users shortly.

rift gold "play" game is not only legitimate, but also show that for sports games in the domestic understanding to reason. As Brazil's football, rift gold participants can many, talking about people can many. After all the brazilian soccer team can accommodate so dozens of people, the number of professional athletes and the overall population than it is after all a blip rift plat .
